

INAUGURAL CEREMONY CAPACITY BUILDING CENTRE 4TH INFODAY

1ST JULY, 2019

The CABCIIN Project started in the year 2016 is now on the Epitome of its Success as its ultimate outcome i.e the establishment of the Capacity Building Center has happened at RK University on 1st July, 2019.

A new Milestone has been set at RK university with the establishment of Capacity Building Center (CBC) for catering to the Professional Development needs of Educators of the region.

Guests of Honor of the inauguration ceremony were Dr. Kamila Ludwikowska (Wroclaw University of Science & Technology – Poland) and Mr. Jigar Inamdar (Indian Council for Cultural Relations)

The day started with the traditional Welcome of the guests as per our Indian Culture by the Project Manager Dr. Aarti Joshi at RKU. Then the event was inaugurated with the lamp lightening by the guests. A warm floral welcome by the RKU Management represented by Mr. Denish Patel the Executive Vice President was done of both the guests. The brief introduction of the guests was given by Ms. Vaishalee Mavani. Mr. Mohit Patel the Vice President of RK University delivered the Inaugural address mentioning the benefits of the Project to RKU and how again in future the CBC would work for the upliftment of the quality of HEIs in the surrounding region.

Dr. Kamlesh Patel – Director CBC delivered his presentation on the objectives of CBC, the training in future that will be offered under the RKU CBC. The heart of the event that is the Ribbon Cutting ceremony was done by the Project Coordinator Dr. Kamila Ludwikowska and Mr. Jigar Inamdar the chief guest for the event. This ceremony was followed by an deep insightful presentation and speech of Dr. Kamila as the Key note address of the event. Mr. Jigar Inamdar also shared his views about the Capacity Building Centre and extended a hand of friendship with RKU for long term association.

The 4th Infoday Activity was conducted by Dr. Chintan Rajani based on the whole days sequential flow of the event. The whole audience was deeply engaged in the activity and thoroughly enjoyed this activity and took back the key learnings with them. The crux of the whole activity was the use of ICT in Teaching and Learning and making the classroom more interactive.

Dr. Amit Sharma took the whole audience on a nostalgic ride of the whole journey of the Project right from the Commencement of the Project's Kick-off meeting to the last Project Management Board meeting and the European Visit Program by a small video documentary taking all down the memory lane.

The whole event was attended by the academicians of the regions and the RKU Educators and also the students, who are the main beneficiaries of this project. This successful event was organized by Dr. Aarti Joshi the Project Manager at RK University.
